## E2E SCHOLARSHIPS

E2E SCHOLARSHIPS CREATE A STRONG BOND BETWEEN YOUTH-FRIENDLY EMPLOYER SPONSORS AND THEIR FUTURE WORKFORCE.

There are two stages of development:

1. A science-based self-discovery journey alongside schooling from Year 9 to 13 enables taura participants to transition from school to further education.
2. A guided placement process during further education develops taura from an internship to sustainable employment.

## - ACADEMIC ENGLISH

## FOR INTERNATIONAL STUDENTS

### ENGLISH FOR HIGH SCHOOL PREPARATION

The English for High School Preparation prepares international students to adapt to a new education system and build the language skills required to transition and succeed in the high school in Wellington.

We also provide free school placement services.

### SCHOOL HOLIDAY CLASSES

We offer classes to help high school students improve language and academic study skills during school holidays. The classes are flexible and tailored to meet the specific learning needs, such as Academic Writing and Public Speaking.
